TO
VICTORY**

LIBERTY BONDS
pave the way to
VICTORY in war,—an
early, complete, triumphant
VICTORY. If we are to win
the war abroad we must first
learn to spend wisely, to abandon
luxury, and invest every dollar we
possibly can in the bonds which provide
the materials and equipment without
which the war cannot be won.

THE ELECTION

Tropico has no grounds to complain over the results of the election. Out of three candidates to have two elected, and their term of office being for four years, guarantees us representation at least. The returns showed that the winners were Hartley Shaw and Charles H. Henry for city trustees, J. C. Shearer for City Clerk, and J. W. Stauffacher for Treasurer.

The Greater Glendale Campaign Committee's favorite candidate, Thompson, failed to win out, even with the aid of the "ticket."

Joe Griffin made a fine race for Clerk, carrying both Tropico precincts by good majorities.

The vote throuout the city was light, the heaviest voting being in precinct No. 7, at 401 1-2 Brand boulevard.

The total vote cast is as follows:

Hartley Shaw, Trustee	830
C. H. Henry, Trustee	792
J. S. Thompson, Trustee	750
Chas. Grist, Trustee	646
F. D. Silvius, Trustee	245
J. H. Mellish, Trustee	219
F. J. Willett, Trustee	53
J. C. Sherer, Clerk	1099
J. V. Griffin, Clerk	687
J. W. Stauffacher, Treas.	1583

Exit Thompson.

LIBRARY NOTES

The library has recently received a number of substantial donations. Mr. O. E. Clemens of San Francisco, whose home was formerly in Tropico, recently had the misfortune to lose his young son, and he sent the little fellow's library of over fifty volumes, all boys'

favorites, to be enjoyed by his former playmates.

Mr. Spencer, a member of the Glendale Library Board, brought down thirty-two volumes of splendid reference books in literature, science and religion, including two works by the late Alexander Winchell, the distinguished geologist.

Miss Cora D. Snyder of 210 South Brand, made a very generous contribution of thirty-nine volumes, including some works of standard fiction and a number of valuable reference books.

Quite a number of new books acquired by purchase are also in the work room, and will soon be made ready for circulation, now that a typewriter has been installed.

The typewriter will also facilitate the work of the library in many ways. All who come in for the first time express their appreciation of our commodious quarters, and the fact that the reading room attendance has doubled since the library was enlarged and the hours increased shows that the people are making good use of it.

IMPORTANT PATRIOTIC MEETING

Dr. Edgar Fay Daugherty—pastor of the First Christian Church of Los Angeles, will address the people of Glendale. The meeting will be held at the High School Auditorium, Tuesday night, April 16th, at 8 o'clock. Dr. Daugherty is a noted speaker and has a highly important message for us all. You are assured of hearing a mighty interesting and patriotic talk.

It is asked that everyone attend this meeting. Come on time and bring your friends. You will be well repaid.

"WHOLESALE PROFITEER"

A dollar a head had been promised to Mike, an Irish dragoon, for every German he captured. Daybreak one morning in a front line trench somewhere in France Mike was snatching a wink or two of sleep, while Pat, No. 2 in his squad, was alertly watching over the top. There was a sign of movement in the German lines, and Pat jabbed Mike with his rifle to arouse him.

"Wake up, me man, they're coming!" shouted Pat.

"Who's coming?" responded Mike, rubbing his eyes.

"The Germans, to be sure. Wake up."

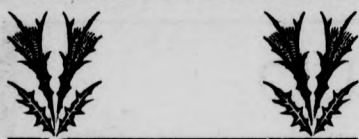

"How many of them are there?"

With a quick glance toward the enemy trench, Pat shouted:

"More than a million," replied Mike, "Thank heaven; me fortune's made."

A band composed of 1000 harmonica players is being organized among the men of the seventy-ninth division at Camp Meade, in Maryland. So many soldiers show ability in playing this instrument, it is said, that the War Department commission on training camp activities is considering the organization of a mouth-organ band in each division. In such an event it is only reasonable to expect that multitudes of harmonica players will return from the war with the mouth-organ habit fastened strongly upon them. This, in the opinion of many, will postpone a real peace indefinitely.

People come to trust business men who advertise consistently. Advertising is the surest way for any business firm to establish a reputation.

EDWARDS-KENNEDY WEDDING

Miss Ethel May Kennedy, of 1451 Sycamore avenue, was married Wednesday at high-noon to Melbourne Edwards, of Tropicco. The ceremony took place at the Alhambra Apartments in Los Angeles, and was performed by Reverend Myers. Immediately after the ceremony they left for Riverside, California, where they are spending a brief honeymoon, and will return to this city sometime today.

Miss Kennedy is the daughter of Mr. and Mrs. R. J. Kennedy, who reside at 1451 Sycamore avenue, and Mr. Edwards is the son of Mr. and Mrs. J. A. Edwards, of Oklahoma. Both Miss Kennedy and Mr. Edwards have been employed at the Los Angeles Basket company, where they met each other about a year ago. They have lived in this community for several years, and have a large circle of friends who wish them success and happiness. They will reside at the Flower Apartments, 403 1-2 South Brand boulevard.

THE THIRD LIBERTY LOAN

The Third Liberty Loan campaign opened last Saturday morning, but it was not until Monday that the various committees were able to work in soliciting. It is proving to be the most enthusiastic and patriotic campaign ever launched in Tropicco. The quota for Tropicco is \$16,000.00. It is predicted that Tropicco will subscribe double its quota, as nearly everybody in this district is willing to do "their bit."

A strong organization has been formed for making the big drive for the sale of the Liberty Bonds, and it covers the whole of Glendale. The chairman of the organization is F. H. Vesper, and its Secretary is A. L. Walshe. The executive committee consists of F. H. Vesper, W. W. Lee, Dan Campbell, George T. Payne and A. L. Walshe. A "Last-Resort Committee" has been appointed by the organization, consisting of E. M. Lynch, George T. Payne, Norton Wells, Ezra Parker and O. T. Walker. It will be the duty of this committee to investigate evases of persons reported as "slackers" by the solicitors, and to make sure that the situation is thoroughly and properly presented to the one complained against.

MEETING OF CAPTAINS AND TEAMS

Every member of the Liberty Bond Sales teams and Captains are requested to attend a meeting Saturday night. This meeting is of utmost importance. It will be held at the Liberty Bond and Red Cross headquarters over the Bank of Glendale at 8 o'clock. If you are on one of these teams, be sure and be there.

CORA MAY RAMBO

Cora May Rambo passed away at her home, 4140 Parkdale avenue, Monday morning, at the age of 38 years. She is survived by a husband and four children. Funeral services were held at the Little Church of the Flowers, Forest Lawn Memorial Park, Wednesday afternoon, with Scovern Letton, Frey Company in charge.

ARDEN AND VALLEY VIEW NOW PART OF GLENDALE

Two more districts have been annexed to Glendale, making six in the last few months. One is Arden avenue district, which extends from Brand boulevard west to Pacific avenue and south to Verdugo wash, and which is one of the most compact sections of the valley, as well as one of the prettiest. The vote in his section was almost unanimous, there being only 3 against it. The other district is known as the Valley View district and runs from a central point between Broadway and Fifth street to the old city boundary and west to San Fernando road. The vote in this community was 37 for and 11 against.

There will be several other annexation petitions filed in the next month, committees already being at work.

GAS PROPERTY APPRAISAL HEARING SET FOR APRIL 24

The state railroad commission gave notice that the hearing of the petition of the city of Glendale to fix the valuation of the property of the Southern California Gas company had been reset for April 24 at 10 o'clock a. m. in room 205, Union League building, Los Angeles. Several mass meetings have been held and the trustees have been instructed to ascertain the amount it would cost for Glendale to add a gas plant to the public utilities already owned.

An expert has compiled and submitted the cost of the plant, and the

state railroad commission is now asked to fix a valuation.

DEATH OF ADELAIDE BECKER

Miss Adelaide Becker, sister of A. J. Becker of 242 South Central avenue, passed away at a sanitarium in Hollywood, Friday morning, April 5, after a lingering illness. She was a native of Ohio and was 33 years of age. Services were held at the Little Church of the Flowers in Forest Lawn Memorial Park, Monday afternoon at 2 o'clock, with Scovern, Letton & Frey in charge.

PACIFIC COAST SHIPYARDS ASKED TO GET LABOR THROUGH U. S. EMPLOYMENT SERVICE

All shipyards east of the Rocky Mountains have been notified by the United States Employment Service of the Department of Labor that the service is now prepared to fill all their labor requirements. Each yard is asked to hereafter obtain its workers exclusively through the United States Employment Service. The men will be furnished from the immediate applicants for shipyard employment at the various branch offices of the service and the cooperating State services, and from the 200,000 mechanics enrolled for ship-building by the United States Public Service Reserve, the skilled labor "recruiting" division of the employment service.

PROCEEDINGS OF BOARD OF TRUSTEES

The Board of Trustees met in regular session at the City Hall at 8:10 P. M., April 11, 1918. All members present at roll call. The minutes of the last regular meeting were read, and on motion, a correction made in regard to the adoption of Resolution No. 1002, to show that on roll call, Trustee Woodberry voted no. The minutes of the Adjourned Meeting of April 9th were read and approved.

A petition was presented from Mrs. Minnette Sherman of 1526 Vine Street and thirty-five other residents of that section, calling the attention of the Board to the fact that the remains of a building belonging to Mary Shaw at 1530 Vine Street partially destroyed by fire in the month of May, 1917, are left standing in a ruined condition and constitute a menace to the safety of adjoining houses and to the residents of the vicinity, and is otherwise offensive and detrimental to the interests of the entire neighborhood; the petitioners requested that the Board take the necessary steps at once to abate the described condition by causing the building to be torn down and removed or rehabilitated into a complete and decent house. On motion, the communication was referred to the City Attorney to advise the Board as to its authority in the matter.

A communication was read from Mr. J. F. Lilly representing the City in appraisal proceedings, submitting an agreement of sale in duplicate, covering a portion of Lot 2, Glendale Mountain View Tract, desired by the City in connection with the improvement of Verdugo Wash. The communication stated that an agreement had been arrived at with the representative of the property owner, fixing the sum of \$200.00 as fair compensation for the portion of the lot to be taken. On motion, the communication was ordered to be received and referred to the Committee of the Whole.

Another communication was received from Mr. J. F. Lilly, representative of the City in the matter of acquiring a certain strip of ground belonging to Mr. A. G. Walker, near the Brand Boulevard bridge over the Ver-

dugo Wash, in connection with the bridge to be erected at that point. The communication stated that an agreement had been arrived at for the exchange of a piece of ground belonging to the City for the piece be-

longing to Mr. Walker, the City to pay Mr. Walker the sum of \$500.00. On motion, the communication was ordered to be received and referred to the Committee of the Whole.

"WHY THE CALIFORNIANS?"

That is a question many people are asking.

Well, "The Californians" have been a good and sufficient *raison d'être* as our co-fighters, the Poilus might say.

After the victory which the Allies will certainly win in the world war, peace will bring an extension and expansion of business to California that will be almost incredible, till it is a realized happy fact.

One object of "The Californians" is to hasten that peace by arousing the people to a realization of the absolute necessity for such victory. That can be done in many ways by "The Californians" as a state-wide, non-partisan, non-sectarian association. It will encourage and stimulate all patriotic work and be sufficiently organized to materially help with the Fourth and later Liberty Loans.

Another primary object of "The Californians" is to help promote state-wide co-operative preparation for the great prosperity and progress peace will surely bring to California.

Much greater things than we now know will be achieved in agriculture—manufacture—and transportation by land, water and air

In a few years auto-trucks in the air will be more common than carrier pigeons. Auto-water-trucks have a great future. Look out for them!

We are just beginning to realize practical possibilities of transportation.

We are also just entering a new era of practical school education. Before 1927 our educators shall look back and say—"Just see what has been achieved since our Country entered the world war in 1917."

Oh there is plenty to be done by "The Californians", who wish to lend a hand along all lines of prosperity and progress.

Neither state nor local organization will be hurried—but in due time both shall be accomplished—and "The Californians" will be doing their good and proper bit for National and State welfare.

By Walt Le Noir Church
State Organizer

Note: In every way "The Californians" will be constructive, with charity for all good citizenship and malice toward none.

NEW INDUSTRY FOR STOCKTON

Stockton has been chosen as the site for the \$50,000 plant of the new California Cedar Products Company, which will immediately start construction and begin operations August 1st, giving employment to about one hundred people. It will occupy ten acres at the western edge of the city. Its principal product will be slats of California incense cedar for making lead pencils.

Efficiency means trading nearest to home.

+ RED CROSS NOTES +**APPRECIATION AND THANKS**

Members of the Food Sale Committee of the Northeast District of the Tropico Branch of the American Red

Cross wish to express their hearty appreciation of the donations to the sale received from the residents and merchants of this limited territory. That the sale and luncheon proved such a grand success from a financial standpoint is due in a great measure to the generous offerings both in supplies and cash, to this noble cause. Capably assisted by the most willing of workers: Mrs. Ernest H. Collage, Mrs. Charles White, Mrs. Robt. L. Sanders, and Mrs. Eustace B. Moore, who gave unsparingly of their time and labor, there could be but one result, success. That the sale was a success is evidenced by the fact that more than \$55 was turned into the treasury as the result of a sale of but five hours' duration. It is also the desire of the committee members to express their appreciation of the furnishings loaned with which to fit up a cosy and attractive rest room, and the tables and kitchenware loaned by the Pythian Lodge and Temple.

PROCEEDINGS OF BOARD OF TRUSTEES

(Continued from Page 7.)

A Committee was present representing the Epworth League, and Mr. McBride addressed the Board, stating that a convention of the league representing Southern California will be held in Glendale early in the month of May next, at which it is expected there will be twelve hundred delegates present; requesting that the trustees assist in the entertainment of visitors by a donation. Rev. Snudden also addressed the Board in reference to the same matter, requesting further that the city grant permit for the erection of banners, etc. On motion, the last request was granted subject to the supervision of the City Manager and the Police Department, and the matter of a donation was referred to the Committee of the Whole.

Mr. Hartley Shaw, who had circulated a petition filed with the City Clerk on April 4, 1918, signed by electors residing in that portion of the City of Glendale, formerly known as the City of Tropic, requesting that proceedings be taken to proceed with the formation of a municipal improvement district for the issuance of bonds, to be known as Municipal Improvement District No. 2 of the City of Glendale, for the acquisition and construction of works for distributing and supplying electricity to the inhabitants of such district, appeared before the Board and was sworn in by the President and testified that the signatures of the petition which he had circulated were made in his presence, that the signers were aware of the contents of the petition, and that they are residents of said district. The Clerk to whom the petition had been referred, was granted further time in which to check up the names on the petition with the great register.

On motion, "An Ordinance of the City of Glendale approving the annexation of certain territory known as "Valley View District" to the City of Glendale," was taken up for first and second readings, and laid over for one week for final reading.

On motion, "An Ordinance of the City of Glendale approving the annexation of certain territory known as "Arden Avenue District" to the City of Glendale," was taken up for first

and second readings, and was laid over till the next regular meeting for the third and final reading.

The report of the Tax Collector for the week was presented and, on motion ordered to be filed.

On motion of Trustee Jackson, the American La France Fire Engine Company was awarded the contract for 500 feet of 2 1/2 American Rubber Company's hose at \$1.00 per foot.

A letter was presented and read from R. H. Moulton & Company of Los Angeles, offering to pay the sum of \$17,000.00, together with accrued interest to date of delivery for the issue of the \$17,000.00 municipal improvement 5 per cent. bonds issued for the purpose of acquiring fire apparatus and equipment—bid subject to immediate acceptance, with the understanding that the City furnish with the bonds a satisfactory legal opinion by Messrs. O'Melveny, Millikin & Tuller approving the validity of the issue. On motion, it was ordered that the bid be accepted, and that Messrs. R. H. Moulton & Company be notified that the bonds are ready for delivery.

On motion, it was ordered that when the Board adjourn, it be to meet Monday, April 15, 1918 at five P. M.

WORK BEGUN ON NEW AVIATION SCHOOL AT SACRAMENTO

Work starts at once by the Consolidated Chamber of Commerce of Sacramento on the new Government Aviation School site near Mills Station, 12 miles southeast of the city. Seven hundred and eighty acres of ground

must be leveled for aviation purposes, a two-mile branch of the Southern Pacific is to be built, and power, telephone and telegraph lines constructed. The Government will erect 52 buildings at a cost of \$750,000, providing accommodation for 1,100 pupils and instructors and hangars for 72 machines. It will bring a payroll of \$200,000 a month to Sacramento, and many thousands of visitors. The Government takes a lease for five years, but there is every reason to believe the school will be permanent.

Riverside—Work to begin on aero plant. Contract let for roads and buildings, \$1,500,000.

Redondo—Ferro Shipbuilding Co. to rush new plant for construction of ten concrete ships for government. Dry-docks and wharf frontage over three miles.

Better Pictures and Better Music Combined Make Palace Grand More Popular Than Ever

If you are a lover of good music and appreciate the highest class of motion pictures; if your appreciation of this

art is enhanced, when enjoyed amidst surroundings which are beautiful and well in keeping with the class of entertainment provided; and if you have attended a Palace Grand performance lately; you will agree with us that the class of pictures presented; the musical offerings by the newly composed orchestra; and the beautiful and artistic finish of the Palace Grand Theatre are indeed a source of pride to Glendale and a source of highly refined entertainment for all.

The program for the week beginning with the matinee today, Saturday, April 13, is well above the average and worthy of your attendance. William Farnum, starring in "Les Miserables", is among the best known stars of either screen or stage. 'Les Miserables', a stupendous picturization of Victor Hugo's famous story, which comprises nine complete reels, has played an eight week's engagement at the Lyric Theatre, in New York City, to capacity houses, and has broken theatrical records in other cities. 'Les Miserables' is the feature

picture for today, beginning with the regular matinee at 2:30 and two evening shows at 6:45 and 8:45. In addition will be shown a comedy film, with Harold Loyd (Luke) in "Here Comes the Girls."

On Sunday, April 14, Mary Garden will star in "The Splendid Sinner" one of the Goldwyn pictures and a big sensation. Also a two-reel Mack Sennett comedy scream, "Those Athletic Girls." The matinee commences at 2:30 and two evening shows at 6:45 and 8:45.

"A Daughter of France", a thrilling story of love and the world war, featuring beautiful Virginia Pearson, will be shown Monday, April 15. Also the World's latest events by Hearst Pathe News Pictorial, and a Christie comedy, "Never Surprise Your Wife." The

two reels each—one every Wednesday; they are very interesting. Matinee at 2:30 and two evening shows at 7:00 and 8:45.

The picture you have heard about; Hall Caine's "The Manx Man", will be shown Thursday, April 18 and it's a wonder. You want to see it. Also Paramount Pictograph and Cartoon Comedy. Matinee will begin at 2:30 and the two evening shows at 7:00 and 8:45.

On Friday, April 19, will be seen charming little Bessie Love, in a delightfully entertaining picture of humor and thrilling incidents, "The Great Adventure." Also Burton Holmes travels and one reel of good comedy. The matinee will begin at 2:30 and the two evening shows at 7:00 and 8:45.

SCENE FROM
"THE MANX-MAN"

matinee begins at 2:30 and the two evening shows at 7:00 and 8:45.

On Tuesday, April 16, William S. Hart will star in "Blue Blazes Rawden", the latest big sensation by Artcraft. And also a special comedy attraction, "Her Husbands Wife", a two-reel Henry Lehrman comedy. The matinee commences daily at 2:30 and two evening shows at 7:00 and 8:45.

If you enjoy good drama, don't miss "Alimony" the feature picture for Wednesday, April 17. "Alimony", the tie that burns, is a powerful story of an unwanted wife and is very good. And also—special every Wednesday, official authentic war pictures of The Italian Battlefront, these pictures are

What Does "War Time" Mean To You

Are you complaining because "war time" means coal shortage; less sugar in your coffee; bad business; less money than you think you ought to make?

What about the boys who are fighting for you in France?

For you—a little economy and deprivation. For them the trenches; the pitiless storms of rain and sleet; the ceaseless deafening bombardment of the guns; hunger, cold and fever; wounds and death.

That you may dwell in peace, plenty, and security, they sacrifice everything, give everything, brave everything, and face a nameless grave with a smile and a song.

What are you doing, or giving, or sacrificing for them?

The Third Liberty Loan

is your opportunity to prove the patriotism that is in your heart and on your lips.

Your opportunity to show yourself worthy of the heroism, the devotion, the self-renunciation of your soldiers and sailors.

Your opportunity to share, in some small degree, the sufferings of those who stand ready to make the supreme sacrifice for you.

All you can do is little enough. You simply lend your money. Do it, and be glad that you can do so much and sorry you can do no more.

At the present rate of consumption there will be no wheat flour in California in ninety days.

The state faces a bread ration of very limited proportion.

The supply of cereal substitutes for wheat is also rapidly diminishing.

FRESH VEGETABLES, BEANS, FRESH MEATS, POTATOES AND FISH MUST TAKE THE PLACE OF ALL CEREALS ON THE FAMILY TABLE FOR THE PRESENT.

These were the outstanding features of a statement issued here today by Ralph P. Merritt, federal food commissioner for California.

Merritt said:

"The family flour bin and the grocers' shelves are practically bare of wheat flour and other essential cereals today and there will be no supplies until the new harvest, at least four months hence. The present wheat and cereal substitute shortage is due to heavy shipments to the Allied nations as a military necessity of the greatest import, and not to any conditions over which the food administration has had control.

"The situation today means just one thing—either we reduce our wheat flour consumption fifty per cent or we will soon reach a total exhaustion of white flour, and consequently we will have no bread.

"Strict conformity with these new rules will stretch the flour supplies through the crisis. Hoarding will not be tolerated. In California we now have an allotment of only six pounds per person per month. When it is consumed no more will be available until the following month.

"No food containing wheat flour should be served on wheatless Mondays and Wednesdays, or at the wheatless evening meal. The one and one-

half pounds per week allowed each person, means that the total weight of wheat flour consumed in all foods each week should not exceed that amount.

"The family must substitute vegetables, fish, fresh meats, milk, eggs and potatoes for bread and cereals. Bread should be forgotten and rubbed off the menu for a time, because we must save and send more wheat to the Allies to insure victory."

In 1913, Europe produced 43 per cent of the world's sugar; since then she has had other engagements.

From now until next harvest watch your grocery list or there will be no groceries to list.

THE ONLY ONE OF ITS KIND

Southern Californians are so accustomed to being surrounded with the biggest, grandest, and best of things—climate, scenery, fruit, mountains, etc.—that they sometimes acquire the habit of taking wonders for granted and fail to really appreciate the advantages within their reach, taken individually.

Take the Mission Play at San Gabriel, for example. This wonderful pageant drama is the only play of its kind in all the world now that the Passion Play of Oberammergau has probably been permanently abolished by the war. It is unique from several angles. The Mission Play is presented in the afternoon only during the first three or four months of each year. It is given in its own playhouse which was built seven years ago especially

for it, and is used for no other purpose. The theatre itself is unlike any other in existence, its interior being modeled after that of the original missions, and its stage is the largest west of Chicago.

The Mission Play is the only one at which one of the actors makes explanatory announcements from a pulpit near the stage before the opening of each performance. No other play depicts three distinct periods of history with an absorbing story which binds them all together. It is the only drama which re-creates the life and romance of western America over a century ago for all the world to see. No other drama employs pageantry to such an extent. No other spoken drama includes so much music and dancing. None other combines the features of light opera with the spiritual appeal of a religious service. The permanent members of the cast of no other play are the villagers of the community in which it is presented. No other theatrical performance is so strongly endorsed by the members of all religious beliefs, without regard to creed or sect. None other has such a universal appeal or includes so many educational features. No other play draws many of the same people back to see it again and again year after year from all corners of the earth. No other has had such a long run.
